DOMETIC OUTDOOR

PRESS BACKGROUND

This is the Dometic Adventure Fiat Ducato

ON A MISSION TO BUILD THE COOLEST DUCATO CAMPERVAN EVER!

Dominik Freund is a full-time YouTuber with over 129,000 subscribers. On his account "Freundship", Dominik shares van conversion videos, instructions, travel videos and everything to do with life on four wheels and inspires thousands of people around #vanlife.

On a mission to build the coolest Ducato campervan, Freundship built a completely new Dometic Adventure Fiat Ducato. The result has been applauded by many and is now showcased at Dometic booth in Hall 14 at Caravan Salon Düsseldorf 2022.

EQUIPMENT LIST:

The campervan is fully equipped for any adventure in nature with many Dometic and Front Runner products, including:

ROOF:

- Dometic PerfectWall PW 1100 (Wall awning)
- Dometic RainTec RT100 (Illuminated rain gutter)
- Dometic FJX 2200 (Roof air conditioner unit)
- Dometic Midi Heki Style (Roof window)
- Front Runner Dometic Slimpro Van Rack (roof rack)
- Front Runner Dometic WolfPack Pro (storage case)
- Front Runner Dometic 40" LED Light Bar & Mounting Bracket
- Front Runner Dometic Spare Wheel Clamp
- Front Runner Dometic Ratcheting Spade / Shovel & Paddle Mount

NEW

Front Runner Dometic Slimpro Van Rack (roof rack) is a new product developed specifically for vans. The new low profile aluminum rack system for vans offers multiple options from camping to load hauling utility.
