Dometic unveils new induction cooktops at Caravan Salon 2023

Düsseldorf, Germany – August 25, 2023

Dometic unveils new cooking products for the 2024 season at this year's Caravan Salon: the Dometic CVI1350 and CVI1525 Induction Cooktops. These beautiful induction cooktops feature Dometic's design language and modular concept and are nicely combined with matching Dometic Cooking Vision platform sinks to create a home-like mobile kitchen.

Dometic adds sleek and modern induction cooktop to its mobile kitchen portfolio. Featuring Dometic's design language and modular concept, the new 1- or 2-zone cooktop transforms an RV or van kitchen into a home-like culinary space.

The new induction cooktops, Dometic CVI1350 (1 zone) and Dometic CVI1525 (2 zones) are part of Dometic's new Cooking Vision platform and allow fast and convenient cooking directly at the campsite. They

feature an easy-clean glass surface and sensor touch controls for adjusting the cooking heat.

Dometic's modular design concept allows products to nicely fit together and function harmoniously to create a kitchen space.

The comfort of a home kitchen is now a reality anywhere the vehicle or vessel is parked for dinner time.

Key features:

- Top-notch induction technology
- Convenient regulation of the cooking heat in 9 steps
- Robust and roadworthy
- Vibration resistance tested according to RV-specific standards
- Designed to respect 10A/2300 W limitations at campsites and in recreational vehicles just in case
- Extra-fast heat-up with automatic over-boost cut-off
