PRESS RELEASE

Dometic launches 3-in-1 fridge/freezer series with energy-efficient compressor technology

Düsseldorf, Germany – August 25, 2023

Dometic launches a practical 3-in-1 refrigeration solution, with an energy efficient new generation compressor technology. The new NRX series can be a fridge, a freezer, or both at the same time. New models are designed for aftermarket purposes and fit into predecessors CRX and CRE fridge cabinets with an easy installation and no need of additional cut-outs.

Dometic's latest compressor technology achieved drastic saving in energy consumption compared with absorption refrigerators of the same size. They perform better even compared with comparable compressor fridges in the market.

The new Dometic NRX series features a unique function – a 3-in-1 solution. This means the unit can be used as fridge, freezer, or both at the same time.

This series is designed with an easy to remove freezer compartment, to use the full cabinet capacity for refrigeration or deep-freezing.

The new energy-efficient lightweight compressor cooling unit saves 9% energy consumption while reducing the weight with 5% compared to previous model.

An elegant frameless door and a convenient full-width handle opens to a versatile interior. They fit into predecessors CRX and CRE fridge cabinets with an easy installation and no need of additional cut-outs.

Dometic NRX 50C will be showcased at the Caravan Salon Düsseldorf 2023 to RV owners in Europe. Products will be available in Q1 2024.

Dometic NRX 50C

Fresh design and superior energy efficiency: this smart compressor refrigerator provides 46 l of cool storage. Its elegant frameless door, integrating a stainless-steel front panel and a convenient full-width handle, opens to a versatile interior. You can easily remove the 4.4 l freezer compartment to use the full cabinet capacity for refrigeration or deep-freezing.

- 3-in-1 cooling solution: fridge, freezer, or both at the same time
- Energy-efficient high-end compressor with 3 operating modes (Eco/Boost/Quiet)
