Dometic Launches New PUR-Win S10 Window Series – Elevating Comfort, Style, and Longevity in Mobile Living

Düsseldorf, Germany – August 30, 2025

Dometic introduces the PUR-Win S10 window series at Caravan Salon 2025, redefining RV window performance with unmatched insulation, durability, and sleek design. Engineered with advanced PUR rigid foam frames and backed by a 15-year weather protection guarantee, the new series sets a new benchmark for comfort and reliability on the road.

At Caravan Salon 2025, Dometic unveils the PUR-Win S10 window series, a breakthrough in RV window technology designed to enhance travel comfort, energy efficiency, and

long-term aesthetics. With a flush-mounted, black-tinted design and a robust frame construction, the PUR-Win S10 combines elegance with engineering excellence.

Key Benefits of the PUR-Win S10 Series:

- **Exceptional Insulation:** Up to 15x better than aluminum and 2–3x better than ASA, ensuring a stable indoor climate in all seasons.
- **High Structural Integrity:** Steel-reinforced PUR foam frames offer superior load-bearing strength and dimensional stability, even under extreme conditions.
- **Timeless Design:** Sleek black exterior with optional black or white interior finish, complementing any RV style.
- **Versatile Fit:** Compatible with caravans, motorhomes, and campervans – for both flat and curved side walls. Available in hinged or sliding formats with integrated sun and insect protection.
- **Long-Term Durability:** The 2K-coated PUR frames resist UV, moisture, and frost, maintaining their color and integrity for at least 15 years.

Trusted Innovation

With over 40 years of expertise and more than 7 million PUR frame windows produced, Dometic remains the only global manufacturer offering motorhome windows made from PUR rigid foam – a testament to its commitment to quality and innovation.

Enhanced Clarity with Dometic Window Care

To complement the double acrylic glazing, Dometic introduces a specialized ceramic coating for acrylic glass surfaces – designed to preserve transparency and brilliance for years to come. This innovative coating protects, seals, and enhances acrylic windows, ensuring lasting clarity and easy maintenance.

Key Benefits of Dometic Window Care:

- Effective surface sealing – protects against UV radiation, chemicals, weathering, and fine scratches
- Invisible protection – maximum transparency with noticeable durability
- Long-lasting brilliance – dirt, water, and deposits simply bead off
- Easy-Clean effect – simplifies regular care
- Tailored care products available – acrylic glass cleaner, polish, and special polishing cloth

The Dometic PUR-Win S10 series is a promise of lasting beauty, comfort, and performance for every journey. The new

series will be available January 2026 onwards at authorized dealers and retailers.
