

Auditor’s report on the statutory sustainability report

To the general meeting of the shareholders in Dometic Group AB (publ), corporate identity number 556829-4390.

Engagement and responsibility

The Board of Directors has responsibility for the statutory sustainability report for the year 2019 on pages 44–57 and for ensuring that it has been prepared in accordance with the Annual Accounts Act.

The scope of the audit

Our examination was conducted in accordance with FAR’s auditing standard RevR 12, the auditor’s opinion regarding the statutory sustainability report. This means that our examination of the statutory sustainability report is substantially different and narrower in scope than an audit conducted in accordance with International Standards on Auditing and generally accepted auditing standards in Sweden. We believe that the examination has provided us with sufficient basis for our opinion.

Opinion

A statutory sustainability report has been prepared.
